Response to Amendment

1. The amendment filed 9/21/06 has been entered in full. Due to the Applicant canceling the rejected claims and writing the objected to claims in independent format the application is now in condition for allowance.

Allowable Subject Matter

2. Claim 1 is allowed.

3. The following is an examiner's statement of reasons for allowance: None of the prior art discloses in combination with the other limitations of the claim a method of coarse representation of a shape of a visible object in a digital picture wherein a searching step comprises computing aspect ratios for all visible objects in the video database; computing distances according to a specified distance metric between the desired aspect ration and the aspect ratios for the visible objects in the video database; sorting the distances in descending order to produce a sort list of aspect ratios and associated visible objects; and displaying the visible objects associated with the aspect ratios that are at the top of the sort list. Thus claim 1 is allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
